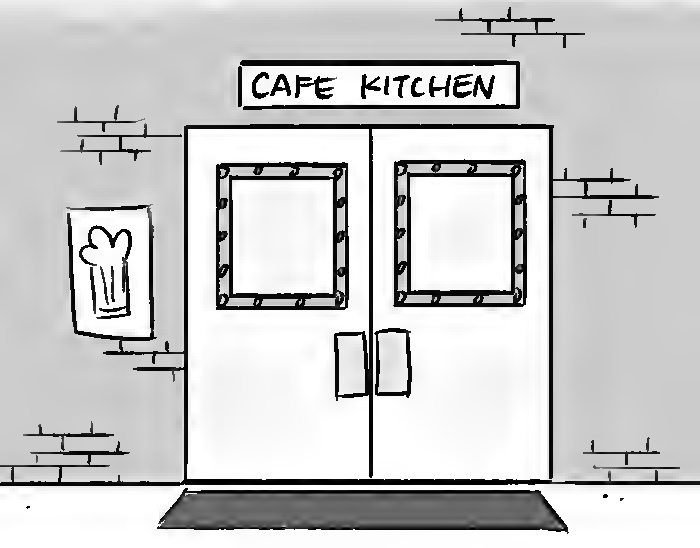
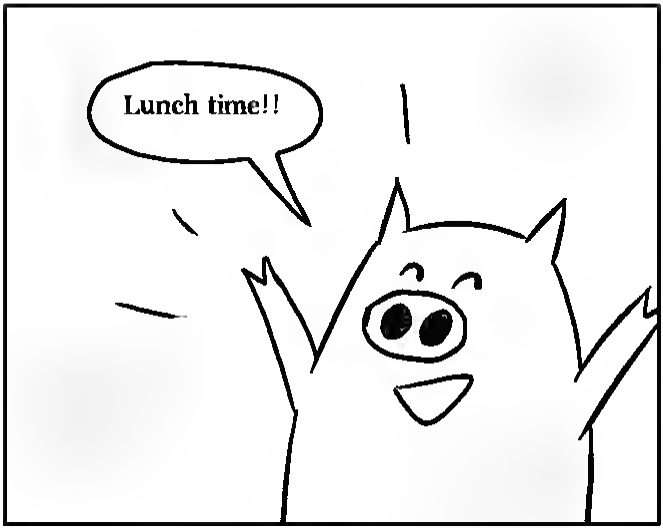
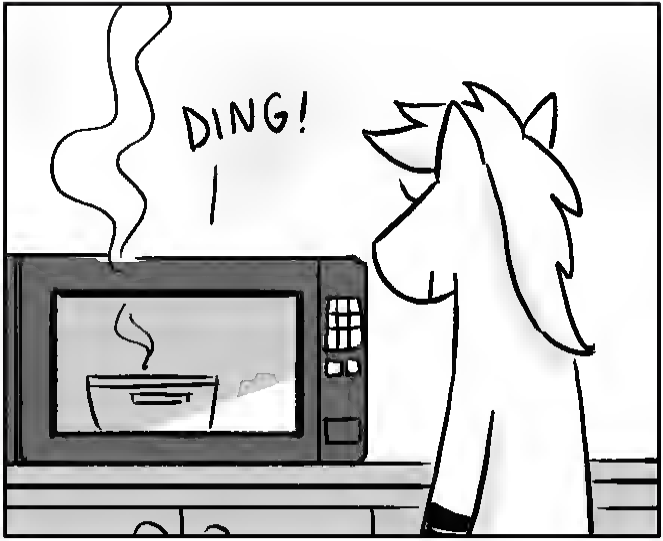
Rat In The Kitchen





Lunch time!!

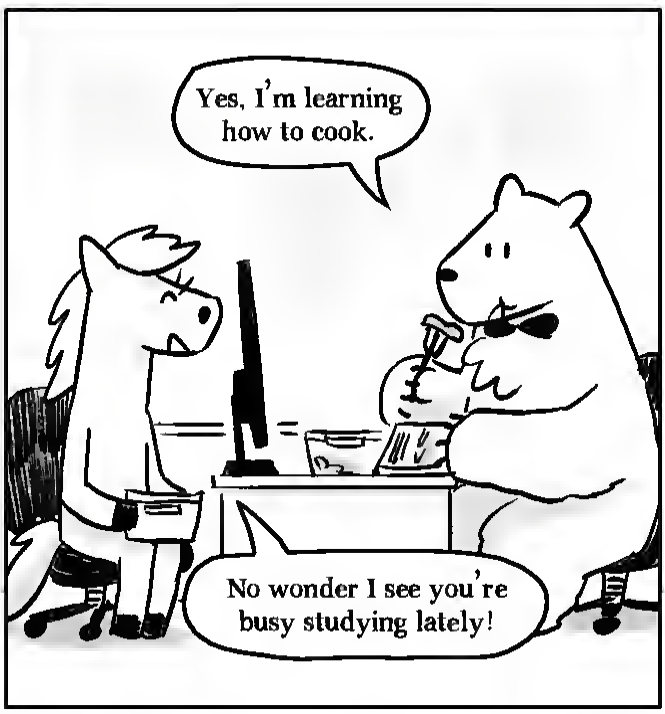
Po, are you joining us for lunch downstairs?
Alright, see you later.
No, I'll share yesterday's leftovers with Horsie.



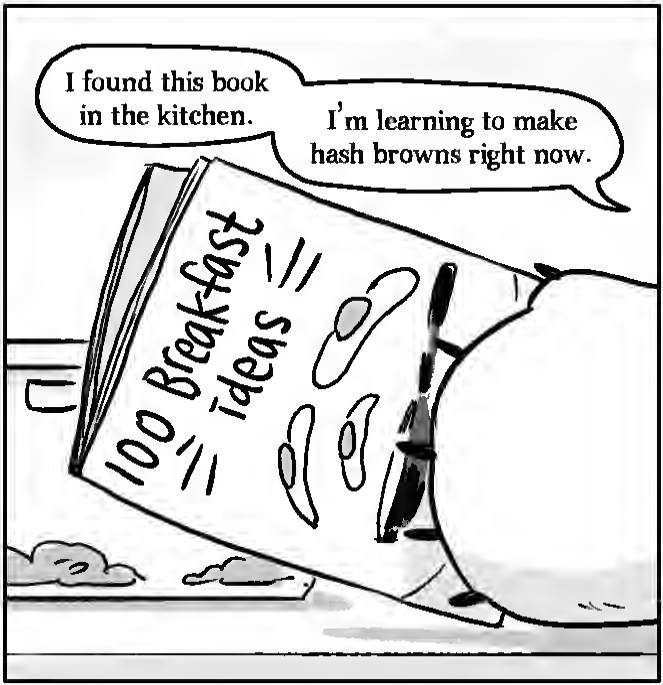
DING!

Here ya go!
Thanks.

What's this? A cook book?



Yes, I'm learning how to cook.
No wonder I see you're busy studying lately!



I found this book in the kitchen.
I'm learning to make hash browns right now.
100 Breakfast ideas

You should totally teach me!

One signature burger, two RSJ club sandwitches, one garden salad...

Um, Leo, the chef wants to talk to you.

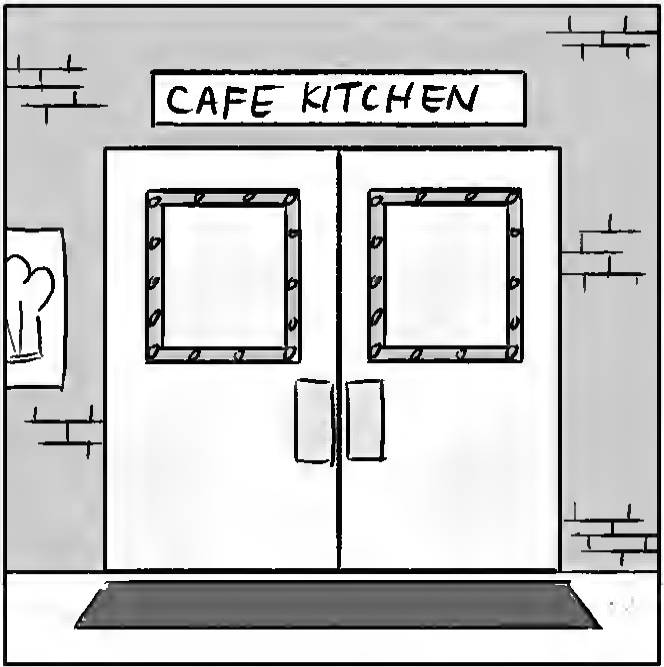
What's the matter, Chef Mousse?

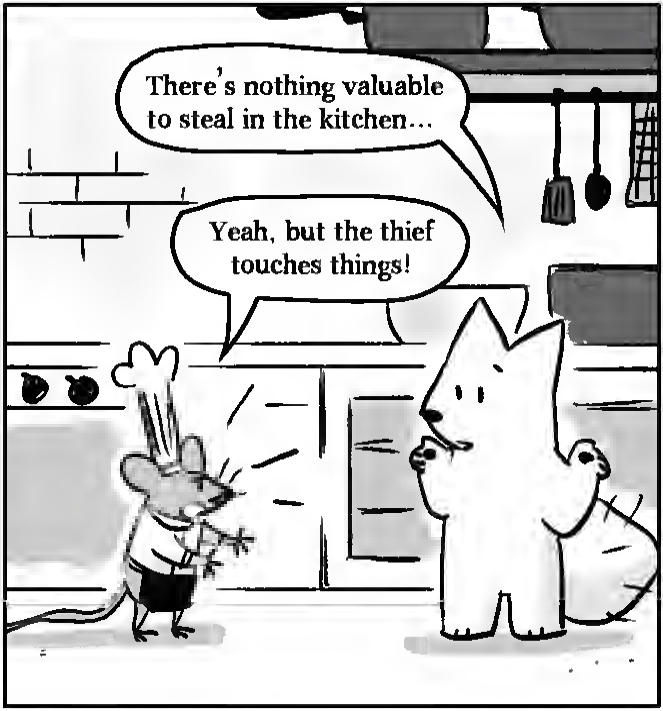
Leo, there is a thief in the kitchen!

Thief?



CAFE KITCHEN

What's a thief doing in the cafe kitchen?
Steal food?
Heck if I know!
I'm pulling all my whiskers out thinking why!



There's nothing valuable to steal in the kitchen...
Yeah, but the thief touches things!

When we came here in the morning, stuff were moved.

Where's the frying pan?
I left it here last night...
?
Maybe you just forgot, like you always do

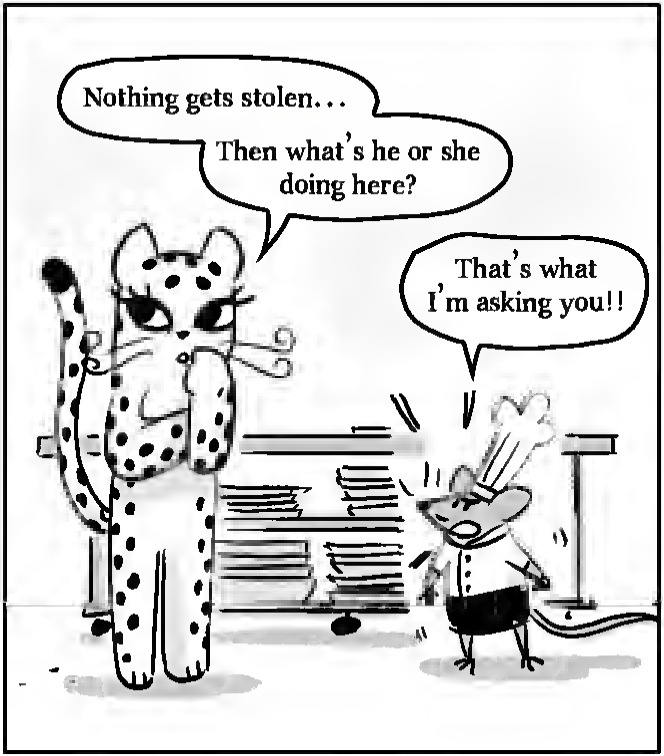
Some pans were dripping water, and some towels were wet.

Someone has been using my towel!
Shut up, it's not yours

The kitchen smells delicious sometimes too.

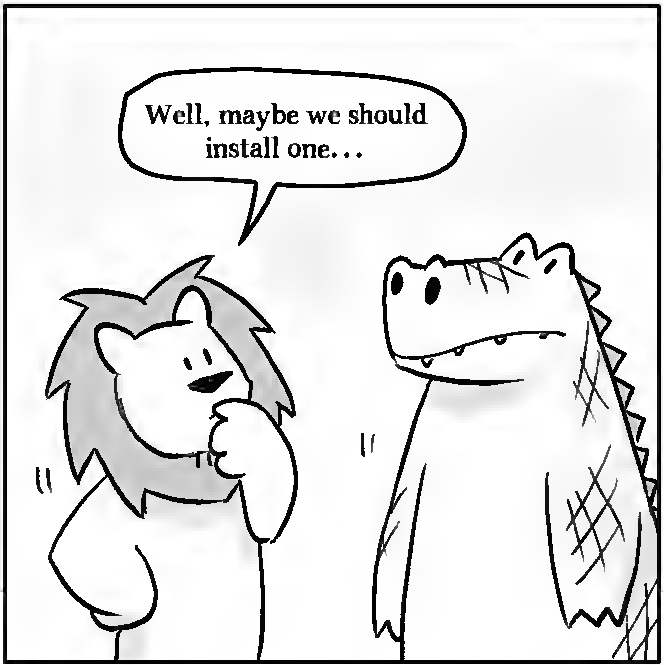
Can you smell something sweet?
sniff
sniff
No, you're just too hungry.
You just have a bad sense of smell!

...Did any food go missing?
No.



Nothing gets stolen...
Then what's he or she doing here?
That's what I'm asking you!!

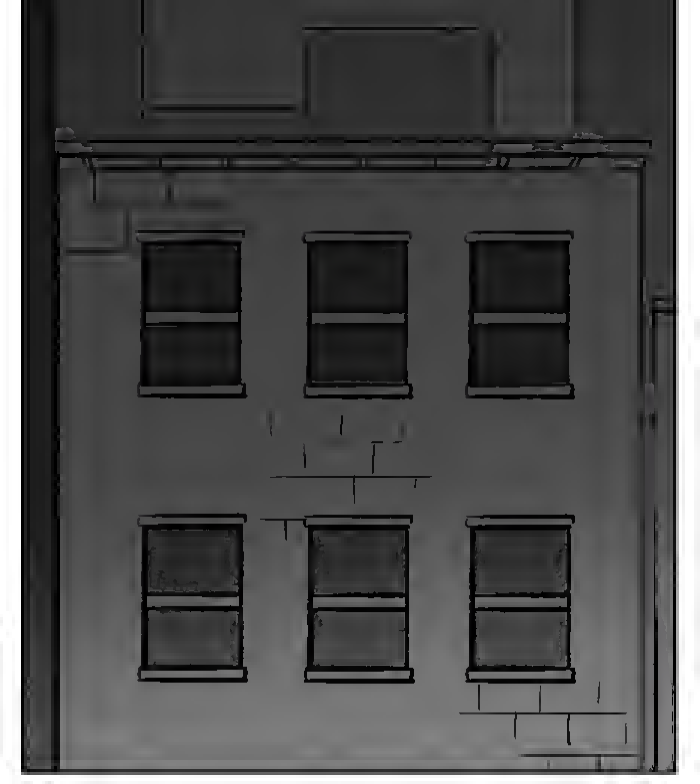
Is there any security camera in the kitchen?



Well, maybe we should install one...

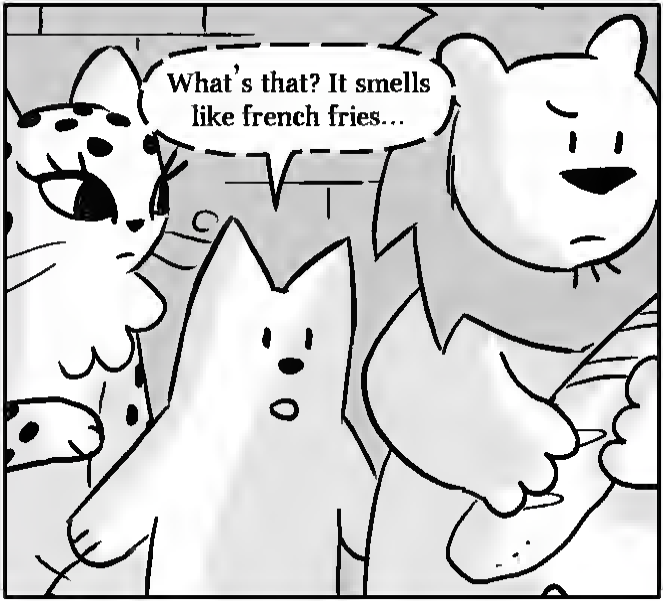
Nah! We will catch the thief right here!
Tonight!
That little sneaky thing comes into the kitchen every night!

If you say so...



Everyone ready, on Allie's cue!
CAFE KITCHEN

CAFE



What's that? It smells like french fries...

Now!

BAM!!
No one moves!!
